- Pharmacy services
- Health in selected populations
- Rational use of dietary supplements
- Collaborative pharmacy practice
- Application of ICT in pharmacy practice
- Risk management and patient safety
- Innovative health technologies and their application in public health
- Health literacy
- Research methodology in social pharmacy
- Pharmacist education and professional development
- Quality of life

Dragi prijatelji i kolege,

Dobrodošli na 3. naučni simpozijum “Zdravstveni ishodi i socijalna farmacija” koji organizuje Centar za razvoj farmaceutske i biohemijske prakse Univerziteta u Beogradu – Farmaceutski fakultet. Želimo da Vas pozovemo da učestvujete u razmeni ideja i iskustava kako bi izgradili jače veze u kontekstu socijalne, kliničke farmacije i ekonomije - u cilju poboljšanja zdravlja, dobrobiti i društvenog blagostanja. Tokom simpozijuma biće prezentovane i diskutovane sledeće teme:

- Savremena farmaceutska praksa
- Farmaceutske intervencije i ishodi
- Racionalna upotreba lekova
- Usluge farmaceuta
- Zdravlje određenih populacionih grupa
- Racionalna upotreba dijetetskih suplementa
- Kolaborativna farmaceutska praksa
- Primena informatičkih i kompjuterskih tehnologija u farmaciji
- Upravljanje rizikom i bezbednost pacijenata
- Inovativne zdravstvene tehnologije i njihova aplikacija u javnom zdravlju
- Zdravstvena pismenost
- Metodologija istraživanja u socijalnoj farmaciji
- Obrazovanje farmaceuta i profesionalni razvoj
